PUBLIC NOTICE

POSTPONEMENT: PROCUREMENT SENSITIZATION MEETING

Public attention is drawn to a media advert placed on 'MyGov' Publication by the Commodities Fund on Tuesday 3rd March 2020, inviting Disadvantaged Groups (Women, Youth and Persons with Disabilities) to a sensitization meeting on 27th March 2020 on existing procurement opportunities.

Be advised that the said sensitization has been postponed indefinitely.

This is due to confirmation of novel corona virus in Kenya and consequent directive by H.E. President Uhuru Kenyatta issued on Sunday 15th March, 2020 to control its spread.

Meanwhile, the Fund advises all to follow the Government's guidelines, including social-distancing, maintaining high level of hygiene, especially washing/ sanitizing hands, avoiding handshakes, among other directives.

And if you experience flu-like symptoms, visit the nearest health facility or call this toll free number: 719 (or dial *719#).
